WELCOME

For Qavali, I wanted to create a drinks menu that mirrors the richness and depth of our Mughlai kitchen menu. Each cocktail has been carefully developed to bring together layered flavours, fragrant spices and modern mixology, designed to sit naturally alongside the food.

Working with Birmingham's own Spirits of Anarchy craft spirits, alongside the refined Afsana 0.0% non-alcoholic range, the menu offers both spirited and alcohol-free creations without compromising on character or complexity. From delicate aromatics to bold, spiced profiles, every drink has been thoughtfully balanced to elevate the dining experience.

My aim is simple, to offer drinks that feel as considered and expressive as the dishes themselves, allowing every guest to enjoy the full flavour and spirit of Qavali.
